DETAILED ACTION

Allowable Subject Matter

1. Claims 1-3 are allowed.
2. The following is an examiner's statement of reasons for allowance: The rejection of claim 3 under 35 USC 112, first paragraph is withdrawn based on applicant's arguments. Additionally, the rejection of claims 1 and 2 under obviousness double patenting has been overcome by the filing and approval of a terminal disclaimer. Furthermore, the prior art made of record does not teach a method for controlling the power inputted to an AC motor by determining the reactive power in two input lines/in at least one input line in the case of single phase motors during a time period and maintaining a solid state relay connected in series between the motor and the input line in a non-conductive state for a set time, wherein said set time is determined by the measure of reactive power

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
